About Sri Vinayak College Of Education, Sri. vijaynagar

College is a platform where the students prepare themselves to face the world and Sri Vinayak College of Education has striven to mould the personalities of students in such a way that they can face the perplexing, complex situations and challenges of life with confidence. We provide a plethora of activities for the judicious all-round development of youthful energies, properly channelised towards creativity and self-actualization. Our aim is pursuit of Excellence in Education, which we try to achieve by incorporating and using latest innovative methods of teaching by providing first grade state-of-the-art facilities.

Further, we are devoted to the task of inculcating in the young minds, values which will lead to the refinement of the entire personae, thereby, making them stand apart as A meteorite sparkles in the galaxy of human race.

With the explosion of knowledge and globalization of education across social, cultural and geographical boundaries, we provide our students with unique multi-cultural programmes. This on one hand helps our students to know about the socio-economic, cultural and educational scenario and on the other hand, takes our college and students to national platform. Thus, our students have an edge over others as they are well equipped to face the global challenges.

Dr. Ritesh Mishra

Call for Papers: The organizers invite the researchers, scholars and authors to sumit their original & unpublished research article for the conference.

Objectives of Conference

- Growth of Software, Hardware and services industry in the state has not been consistent with the potential. The objective of the Aesthe-tech Multi Media is to support/encourage IT education and would thus be as follows:
- Bringing IT to masses especially to the Secondary and Sr. Secondary Students of Tamil Nadu.
- Accelerate the use of information technology in schools, colleges and educational institutions.
- Spurring the Domestic demand for software, hardware and services.
- Making software, Electronics/IT Hardware and ITS/ITES sectors globally competitive and thereby increasing export earnings.
- Facilitating the industry for addressing global markets.
- Facilitate formation of value additions for growth of the industry.
- Help businesses realise full potential in creating wealth.

- National Policy on Education
- Computer Literacy Programs
- Challenges and Obstacles
- Suggestions for Overcoming Challenges
- Digital Divide and Inclusion
