**Online Education:** The modern student is no longer confined to on-site or campus-based classes. Across the globe, more students are turning to online education to supplement or refocus their traditional learning routes. These students recognize the need to adapt to ever-changing employer requirements, especially with the rise of automation that is expected to impact nearly 375 million workers globally.

**Reskilling and Certification:** Employers acknowledge the skill gap, and students are actively seeking online certification courses to enhance their employability.

**Empowering Women:** By broadening access to higher education, India has empowered its nation. There has been a 34% increase in female students enrolled in college between 2011. More women in India are pursuing higher education, following global trends.

### About Sri Vinayak College Of Education, Srivijaynagar

College is a platform where the students prepare themselves to face the world and Sri Vinayak College of Education has striven to mould the personalities of students in such a way that they can face the perplexing, complex situations and challenges of life with confidence. We provide a plethora of activities for the judicious all-round development of youthful energies, properly channelised towards creativity and self-actualization. Our aim is pursuit of Excellence in Education, which we try to achieve by incorporating and using latest innovative methods of teaching by providing first grade state-of-the-art facilities.

Further, we are devoted to the task of inculcating in the young minds, values which will lead to the refinement of the entire personae, thereby, making them stand apart as A meteorite sparkles in the galaxy of human race.

With the explosion of knowledge and globalization of education across social, cultural and geographical boundaries, we provide our students with unique multi-cultural programmes. This on one hand helps our students to know about the socio-economic, cultural and educational scenario and on the other hand, takes our college and students to national platform. Thus, our students have an edge over others as they are well equipped to face the global challenges.
